Surface Reconstruction

Surface Reconstruction

- Online
- Accurate surface
- Noisy data
- Geometric errors

[KinectFusion, Izadi et al. 2011]

[NBO, Liu et al. 2018]

CAD Reconstruction

Surface Reconstruction

- Online
- Accurate surface
- Noisy data
- Geometric errors

CAD Reconstruction

- Clean and concise geometry
- Object-level segmentation
- Offline
- Retrieval errors

[Scan2CAD, Avetisyan et al. 2018a]

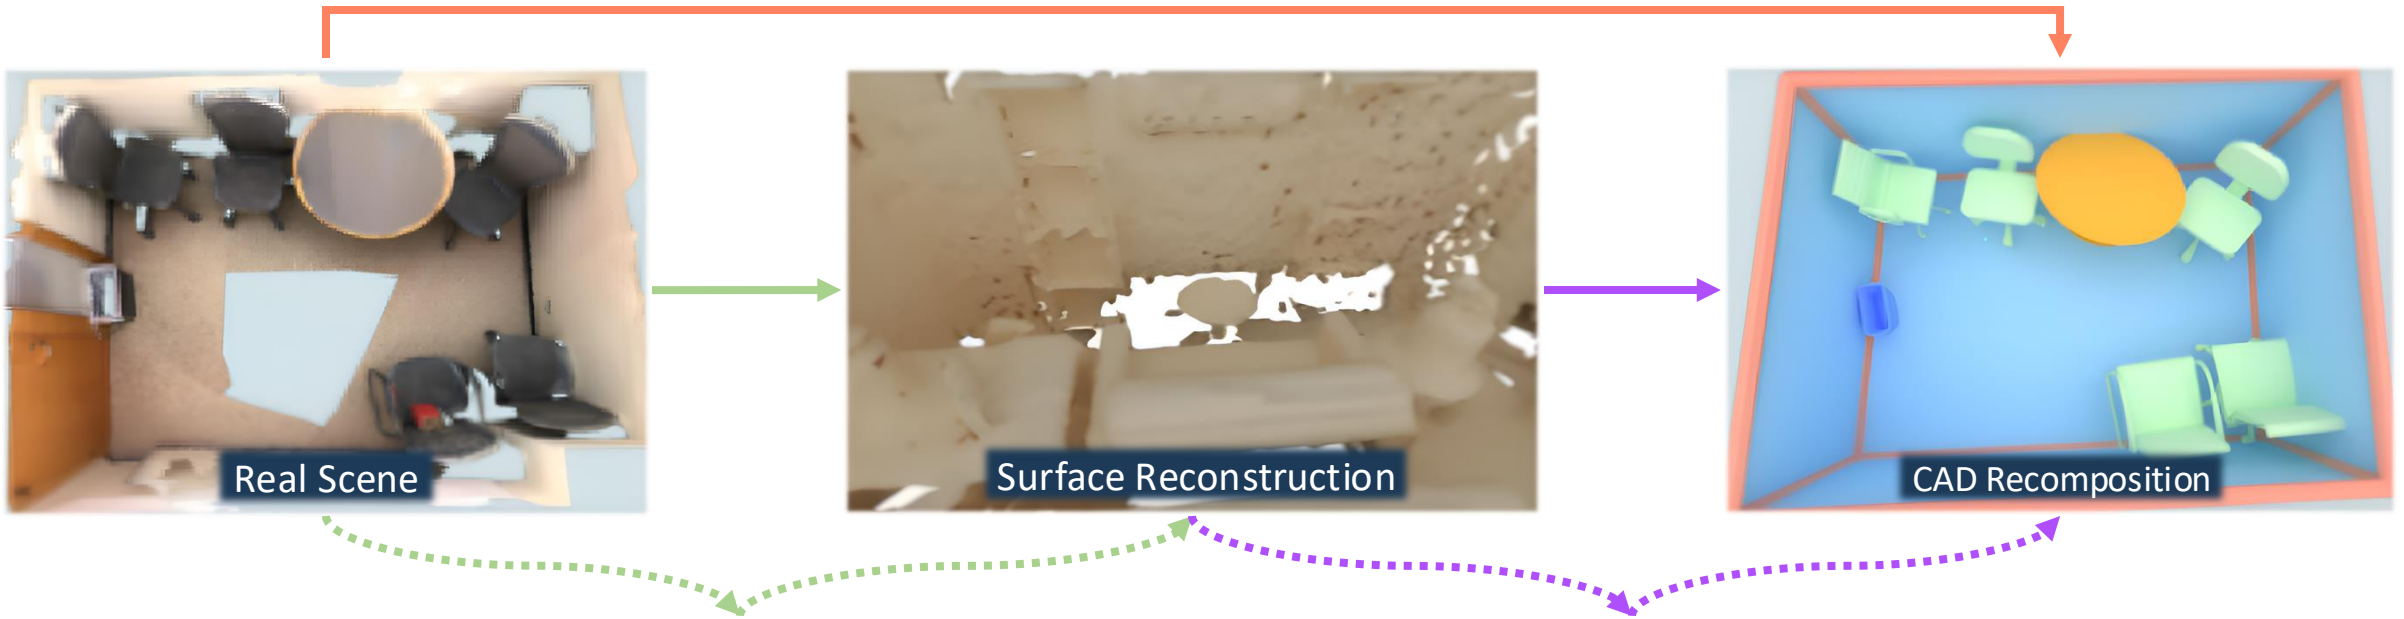

[Vid2CAD, Maninis et al. 2022]

Key Observation

Do we really need the surface reconstruction?

Real Scene

Surface Reconstruction

CAD Recomposition

Surface Reconstruction
Only get reconstructed surface

Offline CAD Recomposition
Based on reconstructed surface

Key Observation

Surface reconstruction is not necessary
for online CAD recomposition

Real Scene

CAD Recomposition

Key Idea

Relation as constraint and guidance

Overview

Info update

Relation-guided
scene CAD recombination

Scanned RGB-D observation

Relation-aware
NBV generation
